

MAPP365 FAQ

HOW TO LOGIN

MAPP365 - MERCK ANIMAL HEALTH SOLUTION FOR POULTRY PERFORMANCE

LOGIN – Step by Step

Welcome to MAPP365. In this short guide, we'll accompany you through your first login and how to request access.

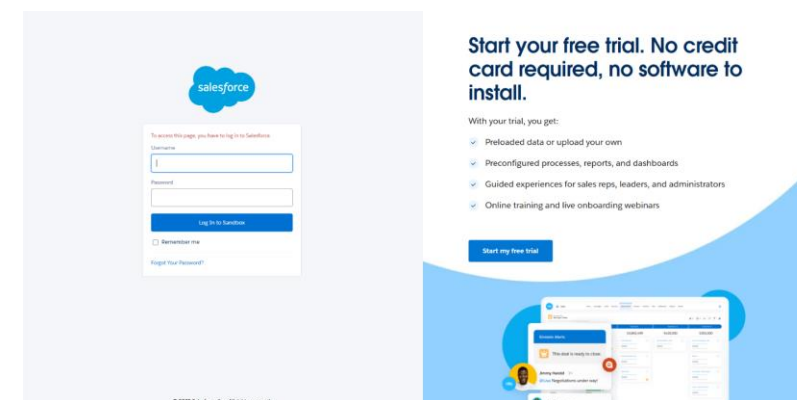

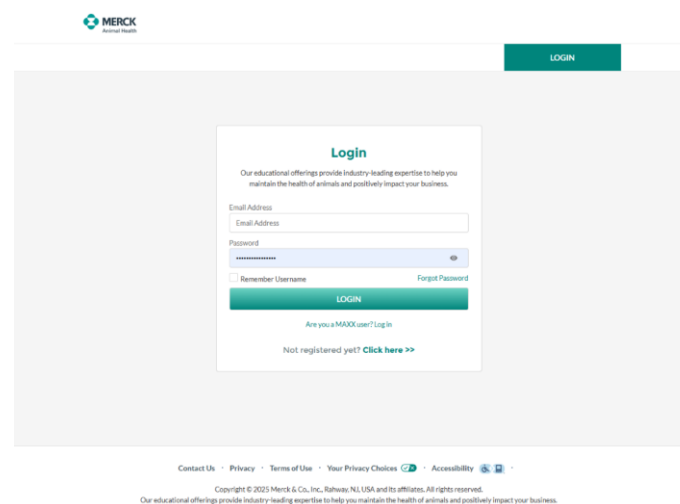

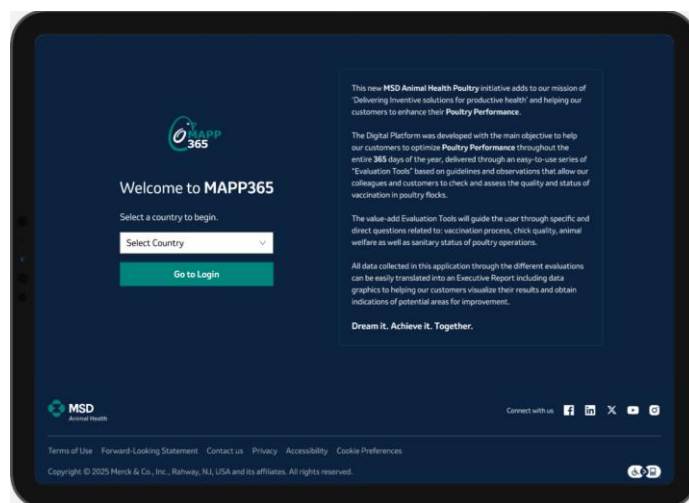

Start by going to: **www.mapp365online.com**

On the homepage, select your country and click "Log in".
You will be redirected to the MAXX login page.

Choose the option that best fits you:

If you have a Connect account, enter your Connect email and password

If you are a MAXX user, click "Are you a MAXX user? Log in" and follow the instructions

LOGIN – Step by Step

If you don't have either account, click **“Sign up now”** and complete your registration.

Once registered, return to the MAPP365 website and log in using the chosen account.

LOGIN – Step by Step

MAPP365 is a secure site, so if you're a new user, after entering your credentials you will arrive at the main page and must request access.

At the bottom of the page, click the **"Request"** button.
Your access request will be sent to administrators for approval.

You will receive confirmation once access has been granted.

After approval, you can use MAPP365 on the web or on the iPad app, both online and offline.

MAPP365 FAQ

GETTING TO KNOW THE DASHBOARD

MAPP365 - MERCK ANIMAL HEALTH SOLUTION FOR POULTRY PERFORMANCE

Dashboard - Header

Dashboard – Main page where you can see all the Evaluations made by your user account

New Case – Area for filling out a new evaluation

Benchmarking – Compare and generate insights on different evaluations or clients

Contact Us – Help Desk for support

User name – Your register on the platform

Log out – Logout button for getting out of the app if needed

The screenshot displays the MAPP 365 Dashboard. At the top, there's a navigation bar with 'Dashboard', 'New Case', and 'Benchmarking'. On the right, links for 'Contact Us', 'ampai nanguay', and 'Logout' are visible. Below the navigation bar, there are filters for 'Country', 'Company', and 'Hatchery', along with a '+ New Case' button. The main section is titled 'Your Evaluations' for 'ampai nanguay | Technical Manager'. It shows summary statistics: 'Total Evaluations: 43', 'Hatcheries: 43', and 'In Progress: 32'. Below this, there are tabs for 'All (43)', 'In Progress (32)', and 'Complete (11)'. A table lists individual evaluations with columns for Case Name, Updated On, Status, and various evaluation metrics (Sub Cutaneous, In Ovo, Spray, Gel, Chick Quality, Chick Comfort). The table shows several rows of data, mostly with 'In progress' status and 0% completion for most metrics. At the bottom, there's a footer with the MSD Animal Health logo, a copyright notice for 2026 Merck & Co., Inc., and links to Terms of Use, Forward-Looking Statement, Contact Us, Privacy, Accessibility, and Cookie Preferences.

New Case - Manage Categories

In the sidebar you can manage all the categories of analysis you are going to fill out during you evaluation.

The screenshot shows a software interface with a sidebar on the left and a main content area. The sidebar contains a 'Case Name' field with a dropdown arrow, a 'Categories' section with a grid icon, and a list of steps numbered 1 to 9: Details, Products, SubCutaneous, In Ovo, Spray, Gel, Chick Quality, Chick Comfort, and Summary. The 'Details' step is currently selected. The main content area has a header with three dropdown menus: 'Select Country', 'Select Company', and 'Select Location'. In the top right corner, there is a status bar indicating 'Last saved at 19:18' and a document icon. A 'Manage Categories' dialog box is open in the center, featuring a title bar with a close button (X). The dialog contains the instruction 'Select or deselect categories and subcategories.' and a list of seven categories, each with a toggle switch and a dropdown arrow: Products, SubCutaneous, In Ovo, Spray, Gel, Chick Quality, and Chick Comfort. All toggle switches are currently turned on. At the bottom right of the dialog, there are 'Cancel' and 'Save' buttons.

New Case - Manage Categories

You can select specific areas of the category your going to evaluate

The screenshot displays a software interface with a sidebar on the left and a main content area. The sidebar contains a 'Case Name' field and a 'Categories' list with numbered steps (1-9). The main content area shows a 'Manage Categories' dialog box. The dialog has a title bar with a close button (X) and a subtitle 'Select or deselect categories and subcategories.' Below this, there is a list of categories and subcategories, each with a checkbox and a dropdown arrow. The categories are: Products, SubCutaneous, In Ovo, Mixing Room Status, LN2 Management, Vaccine Preparation, Vaccine Administration, In Ovo Vaccination Efficacy, Spray, Gel, Chick Quality, and Chick Comfort. The 'Mixing Room Status' and 'In Ovo Vaccination Efficacy' checkboxes are checked. The 'Vaccine Administration' checkbox is unchecked. The 'Spray', 'Gel', 'Chick Quality', and 'Chick Comfort' checkboxes are also unchecked. At the bottom right of the dialog, there are 'Cancel' and 'Save' buttons.

New Case - Adding Notes and Images

To Add Notes and Images to a specific question you can click the button and a pop-up screen will open for you to input the information you want.

The screenshot shows a 'Notes & Images' pop-up window. At the top, there is a table with three columns: 'Section', 'Question / Info', and 'Answer'. The first row contains the text 'SubCutaneous / Mixing Room Status', 'Mixing room clean and orderly?', and 'No'. Below the table, the pop-up has a section titled 'Notes & Images' which includes a large text area with the placeholder 'Type your notes here...'. At the bottom left of this section, it says '0 image attached'. At the bottom right, there is a dashed box containing a download icon and the text 'Upload Image'. A green 'Save' button is located at the bottom right of the pop-up window. The background of the application is dimmed, showing a sidebar with 'Case' and 'Benchmarking' tabs, and a main area with various data points and 'Yes' buttons.

Recommendation

follow a direct plan of safety bio hazzard like the pdf file describes bellow

Select or Drag File

Back

New Case - Adding Recommendation

In this step you can also add images, files and PDFs for even more intel, description, and suggestions for improvement for your client.

The screenshot displays a web application interface for managing a case. The sidebar on the left lists categories: Details, Products, SubCutaneous, In Ovo, Spray, Gel, Chick Quality, Chick Comfort, and Summary (highlighted with a red circle and the number 9). The top navigation bar shows the case name '20260302 CF Group Plangyao Hatchery' and a 'Submit AS Complete' button. The main content area is divided into tabs: Details, Intro, Notes And Images, Products, SubCutaneous, In Ovo, Spray, Gel, Chick Quality, Chick Comfort, and Recommendation (selected). The 'Recommendation' tab is active, showing a text input field with the text 'follow a direct plan of safety bio hazard like the pdf file describes below'. A file explorer window is open over the application, showing the 'Downloads' folder with a file named 'newMAPP365 Report.pdf' selected. The file explorer also shows other files like 'mapp 1.mp4' and '20251204_095213799_iOS.heic'. The application interface includes a 'Select or Drag File' button at the bottom right of the text input field.

New Case - Submit as Complete

After reviewing all of the information you have added to the system, you can Submit as complete. This submission can also be done directly from your iPad if needed and will be available as soon as the device is connected to the internet.
